MITIGATING
FACTORS

What

This event provides community members with information on targeted violence, the risk factors and drivers of targeted violence, how to report concerning behavior and resources for prevention. A panel of local and federal law enforcement representatives, behavior health experts and community organizations will discuss their work in the area of preventing targeted violence and field questions from members of the community.

When

- Thursday, June 29, 2023
- 6-7:30 p.m. The doors open at 5:30 p.m.

Where

- Aurora Municipal Center, First Floor in the Aurora Room
- 15151 E Alameda Pkwy, Aurora, CO 80012

Who

The event is intended for all members of the Denver Metro area community who want to learn about, build awareness of and ask questions about targeted violence in our communities.

RSVP/Questions

Please register and submit questions for the panel before June 27, 2023 on the [CIAC website](#).

Contact

Please direct any questions regarding this event to the CO-PTV Team at cdps_ptv@state.co.us
